I'm a female, Heeler x, rescued from the Valencia County shelter.

She is outgoing, playful & interactive with both dogs & people. She catches on quick, wants to learn & please her people. Learning the leash, car mannerism and crate training. A little affection will go a long way with her. Not much of a barker unless something is out of normal.

I am current on all of my vaccinations and have been spayed, heartworm tested and micro-chipped.
