

Barney

D.O.B. approx.: 12/18/17

I'm a male, Hound dog, White/tan found as a stray in Meadow Lake.

I am very sweet. I am putting on some weight after not being fed. I am learning some manners and I learn very quickly. I want to please my people. I do not do well in a crate, but I know how to use a doggy door. With the proper introduction, I should be fine with other dogs, cats and respectful children.

I am current on all of my vaccinations and have been neutered, heartworm tested and microchipped.

12/15/18 - 1st Parvo/Distemper vaccination

12/22/18 - Neutered & Rabies vaccination

12/22/18 - Microchipped & Heartworm tested – negative

01/06/19 - 2nd Parvo/Distemper vaccination
