I'm a female, Basset hound mix, Brown, rescued from the Valencia County shelter. My foster mom thinks I am a rare chocolate color.

I am a quiet sweet girl. I am timid but have lots of love to give if you give me a chance to get to know you. When I say quiet, I mean I do not bark though I will cry/whine at night when I need to go out. While I like laying next to you on the couch I also like to play with the other dogs. With the proper introduction, I should be fine with other dogs, cats and respectful children.

I am current on all of my vaccinations and have been spayed, heartworm tested and microchipped.
