BARN CAT

Draco

D.O.B. approx.: 05/15/18

I am a male, Domestic Short Hair White/Brown, found in a city park in Roswell.

I might do best as a Barn Cat since I seldom want to be petted, can be skittish, hissy & do NOT like young children or get along with other cats at all.

I am current on vaccinations (which includes Feline Leukemia) and have been neutered.

10/16/18 - 1st Combo/Leukemia vaccination & dewormed

11/14/18 - 2nd Combo/Leukemia vaccination & dewormed

To qualify to adopt a Barn cat you must agree to confine the cat for 3-4 weeks in a secure enclosure within the property the cat will be living on. Even though the cat will hunt mice once she is free, you must still agree to **ALWAYS** provide food, shelter and fresh water.
