

Ellie

D.O.B. approx.: 05/01/17

I'm a female, Chihuahua, Tan, rescued from the Grants shelter.

I love to be with people but I am skittish until I get to know you. I will need a proper introduction, but then should be fine with other dogs, cat friendly dogs and respectful children.

I am current on all of my vaccinations and have been neutered, heartworm tested and microchipped.

05/09/18 - Parvo/Distemper vaccination

05/09/18 - Coronavirus

07/07/18 - Spayed & Rabies vaccination

07/07/18 - Microchipped

07/07/18 - Heartworm tested - negative
