I am a male, Domestic Short Hair, Orange Tabby. My siblings and I came from the Valencia County shelter and were bottle fed.

I'm a little nervous but playful and may do best with another kitten. I need some lap time & love to warm up! With the proper introduction, I should be fine with other cats, cat friendly dogs and respectful children.

I am current on my Combo vaccinations (which includes Feline Leukemia). My adoption fee will cover my sterilization, microchip and Rabies vaccination.

11/03/18 - 1st Combo/Leukemia vaccination & dewormed

11/29/18 - 2nd Combo/Leukemia vaccination & dewormed
