I am a female, Domestic Short Hair Calico, found as a stray but someone was deathly allergic to cats.

I am very sweet & affectionate. I am an absolute love & although I am very adventurous I like to be close to my people. I am definitely a lap kitty. With the proper introduction, I should be fine with other cats, cat friendly dogs and respectful children.

I am current on vaccinations (which includes Feline Leukemia) and have been spayed & microchipped.
