I'm a male, Terrier, rescued from the jaws of a leg trap in Valencia County. The trap was clamped over my head!

I am getting better, but still very uncomfortable in new situations and new people. Please no tall men or people who move fast. I am done with my house training. With the proper, introduction I should be fine with other small young dogs.

I am current on my vaccinations and have been neutered and micro-chipped.

03/17/17 - Neutered & Micro-chipped

03/13/18 - Rabies

06/25/18 - Parvo/distemper vaccination
