D.O.B. approx.: 07/15/14

I'm a female, Terrier mix, surrendered to the Grants shelter.

I am recovering from an unknown illness after having my puppies. I have a very sweet disposition, am friendly. I do require a lot of attention. I like other dogs & children. With the proper introduction, I should be fine with other dogs, cats and respectful children. I am working on my house training.

I have had my Parvo/Distemper Combo vaccination and my adoption fee will cover my sterilization, Rabies vaccination and microchip.
