I am a female, Domestic Long Hair Blue/grey, rescued from the Valencia County shelter.

I used to be the runt, but no more. I am very loving once I warm up to you. Right now, I am a mama's girl so will need a little adjustment time. With the proper introduction, with other cats, calm children, and has not been introduced to dogs.

I have had all my vaccinations (which includes Feline Leukemia) and my adoption fee will cover my Rabies vaccination, sterilization and microchip.
