I am a male, Domestic Long Hair Blue/grey, rescued from the Valencia County shelter.

I have really bonded with my foster brother and we need to be adopted together. I used to be the runt, but no more. I am very loving once I warm up to you. Right now, I am a mama's girl so will need a little adjustment time. With the proper introduction, with other cats, calm children, and has not been introduced to dogs.

I am current on vaccinations (which includes Feline Leukemia) and have been spayed & microchipped.
