I'm a male, Terrier-mix, Cream, surrendered because my owner died.

I am getting better, but still very uncomfortable in new situations and new people. I am working on my house training. With the proper, introduction I should be fine with other small young dogs and school age children.

I am current on my vaccinations, have been neutered, microchipped and heartworm tested.

11/23/09 - Neutered & Microchipped

03/20/19 - Parvo/Distemper vaccination

03/20/19 - Heartworm test & Rabies vaccination
