I'm a very sweet, female, German Shepherd, Sable, I was dumped at a nice lady's house with a severely infected foot & ended up losing my leg.

I am like any other dog; I can dig with just my one front leg! With the proper introduction, I should be fine with other dogs, cat friendly dogs and respectful children.

I am current on my vaccinations and have been spayed and microchipped.

02/21/18 - Spayed & Microchipped

03/29/19 - Combo Vaccination & dewormed

04/05/19 - Rabies Vaccination

04/05/19 - Heartworm test - negative
