I am a female, Domestic Short Hair, Grey/black/white tabby, I was pregnant when I was rescued from the Valencia county shelter and all my kittens have been adopted. I am a polydactyl.

I have a very sweet disposition, am playful and friendly. With the proper introduction, I should be fine with other cats, cat friendly dogs and respectful children.

I am current on vaccinations (which includes Feline Leukemia) and have been spayed & microchipped.
