I am a male, Domestic Short Hair, Black, rescued from the Valencia County shelter.

I have really bonded with my foster brother and we need to be adopted together. I'm sweet & playful but I need some time to warm up to people and other animals, so please be patient. I like to play and be petted; I like having company but you still need to give me my space. I am very curious; I will find places you did not know existed. I love to be "kind of the house" & will find the highest spot so I can watch over my "self-proclaimed" territory.

I am current on vaccinations and have been neutered & Microchipped.

11/15/17 - Neutered

12/11/18 - Rabies vaccination

12/22/18 - Combo vaccination
