I am a male, Domestic Short Hair, Blue Point Siamese-x, I was rescued from the Valencia County Shelter after my owner passed away.

I am shy at first but will quickly warm up to you. Then I'm a lap cat who loves attention! I will reward you with a big purr. I do suck on your clothing initially but will stop after a few days of feeling safe & loved. Not much into toys but I adore being petted! With the proper introduction, I should be fine with other cats, cat friendly dogs and respectful children.

I am current on vaccinations (which includes Feline Leukemia) and have been neutered & microchipped.

11/20/18 - 1st Combo/Leukemia vaccination & dewormed

12/15/18 - 2nd Combo/Leukemia vaccination & dewormed

11/24/18 - Neutered & Rabies vaccination

11/24/18 - Microchipped
