Lucy

D.O.B. approx.: 12/02/14

I'm a female, Black/white, Lab-x found wandering the streets of Belen with my 2 puppies.

I have completed my "Advanced Obedience" class. I have also been through rehab, you just need to provide the leadership. I love to go to the dog park and go on walks. I am very affectionate, love to be greeted and talked to. I'm good with other dogs, but like smaller more than larger. I'm house trained.

I'm current on my vaccinations, spayed, microchipped and heartworm tested.

12/03/16 - Spayed & Micro-chipped

02/19/18 - Rabies vaccination

02/19/18 - Heartworm tested – negative

06/25/18 - Combo vaccination
