D.O.B. approx.: 12/01/17

I'm a male, Chihuahua, Brindle, rescued from uncaring owners.

I was fearful as I have been mistreated, I get hit, left out in the cold & not fed very often. But now I love to be held and snuggle up with you. I get along with other cats & dogs. With the proper introduction, I should be fine with other dogs, cats and respectful children.

I am current on all of my vaccinations and have been neutered and microchipped.
