I'm a female, Black Chiweenie, my owner gave me up after being found in the middle of the road because I jumped out of the moving vehicle.

I will not want to leave your side, so if you have to leave home without me, put me in my crate with my toys, please. I will want to sleep at your feet. I love other doggies to play with both big & small. I am an escape artist & am potty trained. With the proper introduction, I should be fine with other dogs.

I am current on all of my vaccinations and have been spayed and micro-chipped.
