I am a female, Domestic Short Hair, Tortoiseshell. I was surrendered by my family because they were unable to care for me and my siblings.

I am a little timid at first but sweet once I'm comfortable. I have been in a home with large dogs. With the proper introduction, I should be fine with other cats, cat friendly dogs and respectful children.

I am current on my Combo vaccinations (which includes Feline Leukemia). My adoption fee will cover my sterilization, microchip and Rabies vaccination.

11/03/18 - 1st Combo/Leukemia vaccination & dewormed
