BARN CAT

Nagini

(Na-gee-ne)

D.O.B. approx.: 05/15/18

I am female, Domestic Short Hair, Black/White/Gray, found in a city park in Roswell.

I would do best as a Barn Cat since I am very skittish & do not trust humans. I absolutely do not like other cats, or dogs and do not like to be touched.

I am current on vaccinations (which includes Feline Leukemia) and have been spayed.

10/16/18 - 1st Combo/Leukemia vaccination & dewormed

11/14/18 - 2nd Combo/Leukemia vaccination & dewormed

To qualify to adopt a Barn cat you must agree to confine the cat for 3-4 weeks in a secure enclosure within the property the cat will be living on. Even though the cat will hunt once she is free, you must still agree to **ALWAYS** provide food, shelter and fresh water.
