I am a female Domestic Short Hair, Silver and cream Siamese mix cat. I was a stray that was rescued by a caring person when I was pregnant and placed with a foster family.

I am a true beauty inside and out. I have a very docile and loving personality. I love affection and my gentle purrs will prove it. I would make a sweet, attentive companion to the lucky person who takes me home. With the proper introduction, I should be fine with other cats, cat friendly dogs and respectful children.

I am current on vaccinations (which includes Feline Leukemia) and have been spayed & microchipped.

12/21/18 - FIV/Fel tested - negative

03/21/19 - 1st Combo/Leukemia vaccination

03/21/19 - Spayed & Rabies vaccination

03/21/19 - Microchipped
