I'm a female, Domestic Short Hair, Black/gray Tabby, I was found in an abandoned house with my sister.

We got a new mom who thinks we are her babies too! I am full of love & ready to give to my new family. With the proper introduction, I should be fine with other cats, cat friendly dogs and respectful children.

I am current on my Combo vaccinations (which includes Feline Leukemia) and my adoption fee will cover my Rabies vaccination, sterilization and microchip.
