I'm a male, Lab-x, Red/White, rescued from the Valencia County shelter as a stray.

I am very loving, love attention and am just a goofy boy! Scratch my head & I'll soon be belly up for a belly rub. I would love to have acreage to run on but will still need a 6' secure fence/gate. With the proper introduction I should be fine with another friendly dog & will require a home visit/trial.

I am current on my vaccinations, have been neutered, microchipped & heartworm tested.

01/10/19 - Parvo/Distemper Combo vaccination

01/10/19 - Coronavirus vaccination

01/10/19 - Bordetella vaccination

05/01/19 - Heartworm test - negative

04/06/19 - Neutered & Rabies vaccination

04/09/19 - Microchip
