I'm a male, Husky-x, Black/yellow, I was surrendered as my owner can no longer take care of me.

I love people & kids. I like to be the alpha dog so if there are other pets they need to have a gentler personality. I need space to run. I enjoy chasing a ball sometimes but not as much as I used to. I know how to sit on command. I have always lived outdoors so I am not fully house trained but I do sleep inside in a confined area. With the proper introduction, I should be fine with other dogs, cats and respectful children.

I am current on all of my vaccinations and have been neutered, heartworm tested and microchipped.
