I am a male, Domestic Long Hair Orange/white rescued from the Valencia County shelter.

I need a little time to get comfortable. I'm still a little bit feral so am very independent but still likes to socialize. I am good with other cats & children, but I have not been introduced to dogs.

I have had all my vaccinations (which includes Feline Leukemia) and my adoption fee will cover my Rabies vaccination, sterilization and microchip.

06/12/18 - 1st Combo/Leukemia vaccination & dewormed

07/03/18 - 2nd Combo/Leukemia vaccination & dewormed
