I am a male, Orange, DMH handsome fella, surrendered by my family.

I am Super Sweet but get very territorial with female cats even though I am submissive with them if they are not dominating. Good with males as long as no females around. With the proper introduction, I should be fine with cat friendly dogs. I do need to be an indoor only kitty.

I am current on my vaccinations and have been neutered.

05/27/16 - Combo vaccination & dewormed
