I'm a female, Heeler-x, Brown/white found as a stray off Main Street.

I am blind in my left eye. I like both women & men, but follow directions a little bit better with men. I'm house trained, cage trained and I get along with all sizes of dogs. I'm good with kids over the age of 12, unknown with younger ones. With the proper introduction, I should be fine with other dogs, cats and respectful children.

I am current on my vaccinations and have been heartworm tested and microchipped. My adoption fee will cover my Spay & 1 more Combo vaccination.

12/15/18 - 1st Parvo/Distemper vaccination

12/19/18 - Rabies vaccination & Microchipped

12/19/18 - Heartworm tested – negative

01/08/19 - 2nd Parvo/Distemper vaccination
