I'm a female, Dachshund/chihuahua mix, Tan I was owner surrendered. I was kept in a carrier most of that time.

Since I have been in my foster home I have learned to get along with other dogs, played with the cat and learning it is ok to be on my own. I am the kind of dog that wants to sit in your lap or at least next to it. Follow you around and warn you when someone has come to the house. I am young and like to play, I will play tug-a-war, chase the pen light or fetch the toy. I was kept in a cage most of my 1st year of life. So, I am anxious to spend time with a person. I am learning to be outside on my own. I like to play tug a war & fetch and I will also chase the pen light. With the proper introduction, I should be fine with other dogs, cats and respectful children.

I am current on all of my vaccinations and have been spayed and microchipped.
