I am a female, Domestic Short Hair, Grey tabby, rescued from the Valencia County after I was surrendered because my owner had died.

I need to be an only child as I have been one most of my life, I'm a little too old to change now. I am a little apprehensive in new situations but will settle in quickly. I am extremely sweet and will become your little side kick. I love to cuddle & give you love. With the proper introduction, I should be fine with respectful children, I do not like other cats or dogs.

I am current on vaccinations (which includes Feline Leukemia) and have been spayed & microchipped.

Unknown – Spayed & Microchipped
