I am a female, Domestic Short Hair, Lynx Siamese-x found in a city park in Roswell.

I am quite shy at first & my immediate reaction to people, noise and unfamiliar animals is still to duck and hide, but I am slowly starting to come out of my shell. With the proper introduction, I should be fine with other friendly kitties but am not a fan of big dogs. I should do well in a calm, quiet home with no young children. I have the potential to be a sweet, calm girl with people who can be patient & allow me to adjust.

I am current on vaccinations (which includes Feline Leukemia) and have been spayed and microchipped.

10/16/18 - 1st Combo/Leukemia vaccination & dewormed

11/14/18 - 2nd Combo/Leukemia vaccination & dewormed
