I am a black/white, long hair, male rescued from the Valencia County Shelter.

I am a very shy at first, but enjoy being petted once I'm comfortable. I'm not fond of being picked up. With the proper introduction I will be fine with other cats and cat friendly dogs.

I have had my all of my Combo vaccinations, Rabies vaccination and have been spayed.

06/18/15 - 2nd Combo vaccination

09/16/15 - Rabies vaccination
