I am a male, Domestic Long Hair, Brown/white tabby, rescued from the Valencia County Shelter.

I like to sit in the window & watch the birds. I also love to chase flies. It takes me a while to get used to you. I need to be with another cat. With the proper introduction, I should be fine with other cats, cat friendly dogs and respectful children.

I am current on vaccinations and have been neutered & micro-chipped.

01/10/18 - Combo vaccination & dewormed

01/13/18 - Neutered & Rabies vaccination

01/13/18 - Micro-chipped
