I am a male, Domestic Short Hair Orange/white, found in NE Albuquerque as a stray with my 2 siblings.

I am partially blind in my right eye from a chemical burn. I am very shy at first but once I trust you I am all about love! I am learning to play and can be quite entertaining as I do. I am very dependent on my brother, we are a bonded pair. With the proper introduction, I should be fine with other cats, cat friendly dogs and respectful children.

I am current on vaccinations (which includes Feline Leukemia) and have been neutered & microchipped.

08/11/18 - 1st Combo/Leukemia vaccination & dewormed

09/01/18 - 2nd Combo/Leukemia vaccination & dewormed

10/25/18 - Neutered & Rabies vaccination

10/25/18 - Microchipped
